Gujar & Sons *Instagram*

A 7-week Instagram launch for my family's cashew brand from the Konkan: 3 posts a week, 21 posts in all.

ROLE
Strategy, content & design

FOCUS
Brand storytelling

- **Goal:** introduce the brand and build an early following that trusts where its snacks come from.
- **Audience:** health-conscious urban snackers aged 22–40 in Mumbai and Pune, plus festive gift buyers.
- **Pillars:** rooted in the Konkan · quality you can trust · health & everyday moments.

Social strategy Content Design

Amul · Marketing · FMCG · 2020–2021

Field Marketing at *Amul* India

In-store marketing for ice cream and dairy products across Mumbai.

ROLE
Marketing Intern

TIMELINE
Jun 2020 – Apr 2021

- Coordinated with 20+ retailers and distributors to keep stock available during promotions.
- Planned and supported in-store promotions and product displays.
- Conducted customer and retailer surveys and built weekly Excel reports on sales and promotions.

Trade marketing · Research · Retail

THE PROBLEM

Products needed stronger in-store visibility and better customer insight.

20+
retailers and distributors coordinated

In-store
Promotions and product displays planned and supported across Mumbai.

Weekly
Excel reports on sales and promotions, built from customer and retailer surveys.

Marketing · Paid search · 2021–2023

Google Ads for *Wish.com*

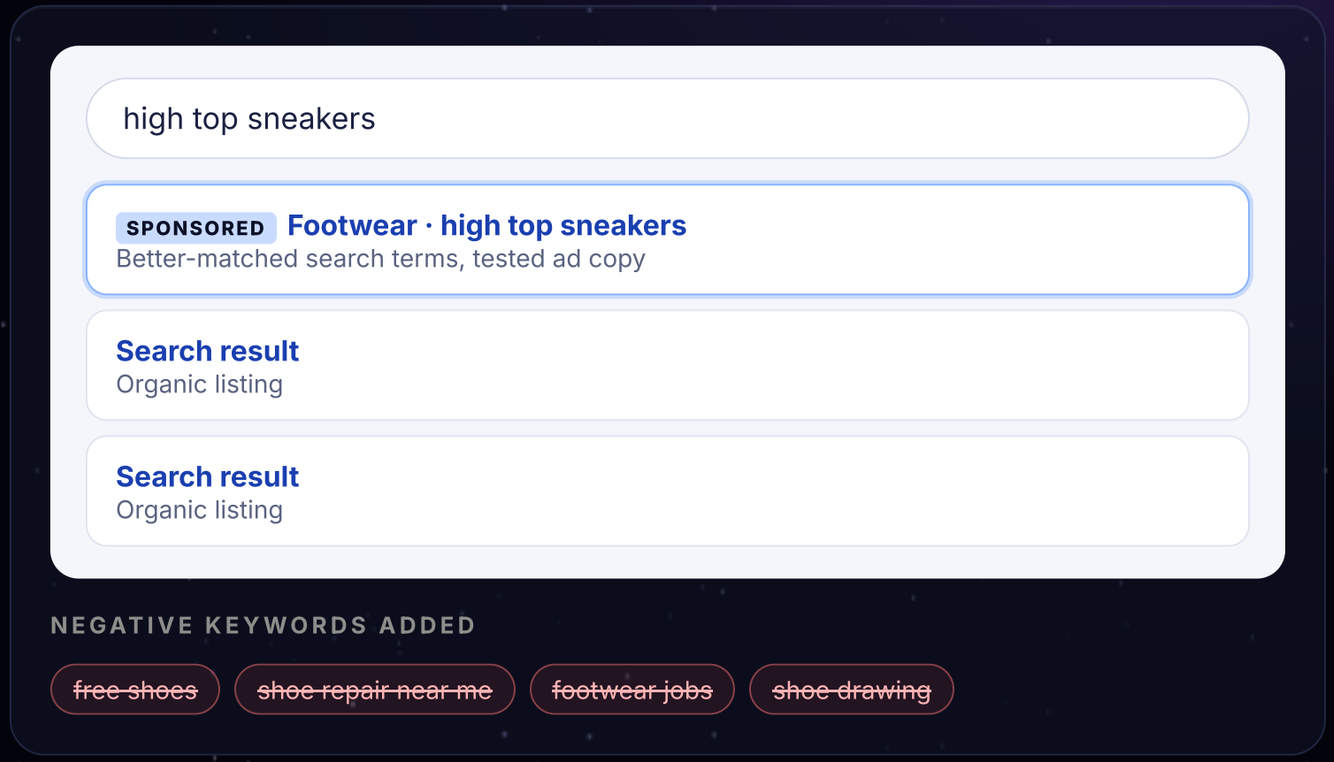

Google Ads campaigns for the footwear category of a global e-commerce marketplace.

ROLE
Content & Brand Specialist, Accenture

TIMELINE
Dec 2021 – Jan 2023

- Researched keywords and competitors in SEMrush to identify better-performing search terms.
- Optimized campaigns through negative keywords, ad copy testing and bid adjustments, improving CTR and lowering CPC.
- Tracked performance in Google Analytics and built Figma dashboards for clear team reporting.

PPC · SEO · Analytics

↑ Click-through rate

↓ Cost per click

Illustrative example of the approach; direction only, no numbers.

Marketing · E-commerce · 2023–2024

E-commerce at *Swasthya* Lifescience

BIGELOW FAMILY TEA BLENDERS SINCE 1945

Capstone project · MS, Sacred Heart

Academic project, not affiliated with Bigelow Tea

Reigniting growth for *Bigelow Benefits*

A 12-month, $50K plan to reposition Bigelow's Benefits wellness teas as the taste-first wellness tea for Gen-Z.

TEAM
Group project

FOCUS
Positioning, social & Amazon growth

- Worked in a 4-person team to analyze the brand's social, TikTok, and Amazon performance against competitors.
- Helped shape the Gen-Z positioning and the "Sips Don't Lie" campaign idea.
- Co-built the $50K budget, influencer plan, and 12-month rollout.

Brand strategy · Social media · TikTok Shop · Amazon SEO · Influencers

THE PROBLEM

Sales down 30% and distribution down 14%, with no clear target segment and weak brand positioning.

THE BIG IDEA

“Sips Don’t Lie.”

Benefits for the taste-first wellness generation.

The plan: *from sip to sale.*

1. Flavor-first storytelling
On TikTok and Instagram Reels.

2. Social proof
Through authentic wellness influencers.

3. Discovery to sales
Convert discovery into sales via TikTok Shop and Amazon SEO.

0.3% vs 1.4%
Instagram engagement vs category average

+600%
competitor growth on TikTok

15–20%
revenue lift from TikTok Shop

Research findings. Sources: RivalIQ, WSJ, Appeal Wizards, JungleScout.

BUDGET · $50,000

12-MONTH TIMELINE

Months 1–2	Launch TikTok and Reels
Months 3–5	Influencer partnerships
Months 6–8	TikTok Shop promotions
Months 9–12	Prime influencer launch and performance review

Gujar & Sons *Cashews*

An editorial storefront for my family's cashew brand. It started as a Figma design in my MS Web Design course, and I built it for real.

ROLE	FOCUS
Design & build, end to end	Brand storytelling

- A real-time 3D cashew travels through the farm-to-pack story as you scroll.
- Every product has a drag-to-rotate 3D pack.
- The cart runs through to a validated demo checkout.

Craft *Fuel*

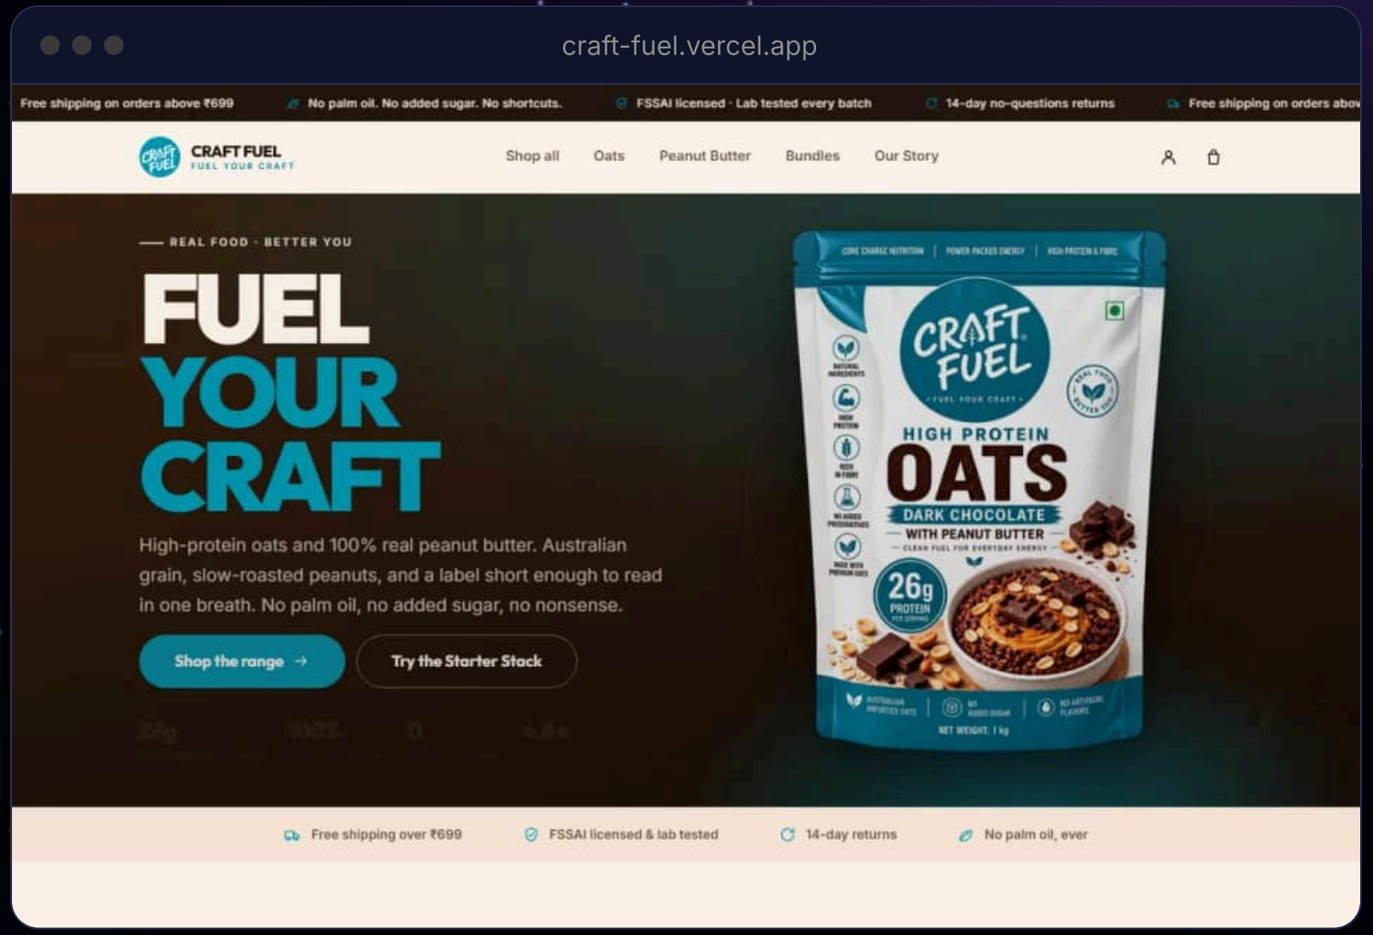

A storefront for a high-protein oats and peanut butter brand.

ROLE
Design & build, end to end

FOCUS
Conversion

- Designed quick-add product cards and bundles to shorten the path to checkout.
- Showed protein, ingredients and nutrition up front, the facts buyers compare.
- Used reviews and trust badges (shipping, returns, lab testing) as social proof.

Dreamstream

The volunteer and program-management platform of Community Dreams Foundation.

ROLE
UI/UX Designer Intern (Volunteer)

TIMELINE
Jul 2026 – Present

- Designed web and mobile interfaces, from user flows and wireframes to high-fidelity prototypes in Figma.
- Delivered consistent, responsive pages for onboarding and program management.
- Worked with product managers and developers in an Agile setup, handing off design specs.

Artha अर्थ

A personal finance and investing workspace: budgets, goals, a multi-asset portfolio and live market data in one calm view.

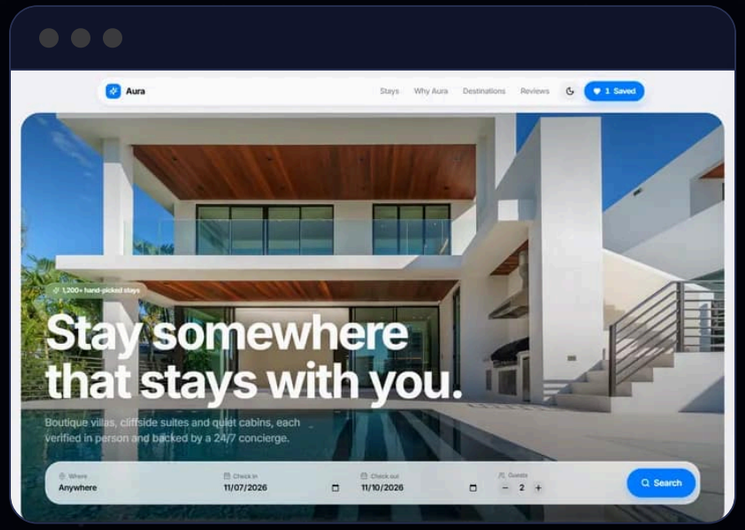

- **Problem:** money is scattered across bank apps, brokers and spreadsheets.
- **Budgets that pace you:** a daily pace line shows mid-month if you're on track.
- **Goals with a plan:** a target and a date become a monthly saving amount.
- **Accessible by default:** every chart can also be read as a table.
